## REPORT OF SPECIAL AUDITOR

To the Selectmen and Auditors  
of the Town of Hampton, N. H.

Gentlemen :

The attached exhibits are as follows :

"A" Balance Sheet as at January 31, 1934.

"B" Summary of Inventory April 1, 1933.

"C" Schedule of Town Property January 31, 1934.

"D" Report of Outstanding Debt January 31, 1934.

"E" Statement of Receipts and Payments for the Year  
Ended January 31, 1934.

"F" Detail of Appropriations for the Year ended January 31, 1934.

"G" Detail Statement of Payments and Summary showing the Receipts and Payments to be in balance.  
January 31, 1934.

### ASSETS

The Cash in the Treasury January 31, 1934 (\$19,644.63) was verified by a reconciliation of the Receipts and Disbursements as disclosed by the Cash Book with the Deposits and Withdrawals as listed on the Bank Statements.

The outstanding 1933 Tax Receipts were checked with individual amounts as entered in the Tax Collector's Commitment Book and Valuation Book, reflecting a total of unpaid 1933 Taxes and Costs of (\$21,283.78) January 31, 1934.

The Outstanding Tax Sales of Previous Years (\$9,094.08) and Land Rents of (\$4,686.75) were verified, and found to be correct.

### LIABILITIES

The Outstanding Bonds and Notes aggregating (\$29,500.00) and Trust Fund Notes of (\$9,630.75) were verified, and found to be correct.

Exhibit "A"—Statement of Decrease of Net Debt, as follows:

Net Debt January 31, 1933	\$14,869.63
Net Debt January 31, 1934	1,898.60
	<hr/>
Reduction of Net Debt Year ended Jan. 31, 1934	12,971.03

Net Debt January 31, 1934	1,898.60
	<hr/>
Reduction of Net Debt in (11) Years	\$189,661.80

### GENERAL REMARKS

The Summary of Inventory April 1, 1933 was examined with the Individual items as set forth in the Valuation Book.

The items and values as disclosed by the Schedule of Town Property January 31, 1934, were accepted as being correct, as submitted by the Selectmen.

The Cash Balance of January 31, 1933 of \$30,299.27 was

reduced by \$5,000.00 by paying one of the Bonds in 1933 as per vote of the Town; and further reduced by additional unpaid Taxes.

The Cash Balance should not be reduced by Appropriations as this procedure will cause temporary loans to be carried over and impair the credit of the Town.

In connection with the Exhibits of the Report, a careful examination was made of the various Accounts, and, in my opinion, the Statements attached, set forth a correct report of the Operations, for the Period under review.

Exhibit "A" also, fairly sets forth the Financial condition of the Town of Hampton, as at January 31, 1934.

The Statements embodied in the Report, subject to the comments in this Preface, I hereby certify to be correct and in accordance with the Books, Accounts and Records of the Town of Hampton, as at January 31, 1934.

Respectfully submitted,

SANFORD G. YORK,  
Public Accountant.

This past year has been a very busy one. Some of the activities I will present in the following summary:

A new course was introduced in the school last year entitled "The Girl Today—the Woman Tomorrow." This course was divided between Mrs. Coombs, Miss Janvrin and myself. At the same time I continued my regular classes in "Home Hygiene and Care of the Sick."

Last Spring I put on a Health Play for the P. T. A. entitled "The Nurse's Dream." The cast was made up of thirty pupils from the Centre School. This was a success and was to be repeated for the observance of National Child Health Day on May 1st. Unfortunately on that date I was confined to my home with the mumps so the day went by unobserved. During my absence I employed Mrs. Clifford Lindsey to take my place for the two weeks.

A year ago we were allotted fifty bottles of Federal Milk for the undernourished children. This winter the amount was raised to sixty-five bottles. I have had charge of the distribution of this along with the usual mid-morning milk and cookie service.

During this past year we have had very little insurance work from either the John Hancock or the Metropolitan Insurance companies.

There have been very few fees collected during the year as most of my work has been in those families who were unable to pay the usual fee. Therefore, these fees have not been asked for as much as previously.

Early last summer the New Hampshire Music Festival came to Hampton Beach. I was on duty there for two days in case of sickness or accident.

At the present time we are serving free noon lunches at the Centre School. Most of the money used for these lunches has been given by the teachers, some by the clubs, and small amounts by different residents of the town. I have stayed at the school during my noon hour and have assisted in serving. Also I have done a great deal of the collecting of vegetables, canned goods and money that different people have been kind enough to give us for our cause. We hope that in the near future we may have some assistance from the CWA in our project.

I have made considerable use of the Pre-natal clinic at the Portsmouth Hospital. This Clinic is free to any Mother who cares to make use of its service. I have taken a great many patients to this clinic and feel that we are very fortunate to have such a service at our disposal.

I have also made use of the Tuberculosis Clinics at Portsmouth, and at Manchester. These have been conducted once a week at Manchester, and once a month at Portsmouth. I have made trips to one, or the other nearly every month during the past year with underweight children.

I have taken a great many patients to hospitals, doctor's offices, and to dentists for various treatments during the year.

It has been necessary for me to do a great deal more welfare work this year than has been customary in previous years. I have delivered donations of fruit, food, clothes, shoes, and bedding to a great many needy homes. The materials came from those who were more fortunate.

This winter we were allowed Cod Liver Oil from the CWA for our underweight children in the schools. I took advantage of this and sent in my order and have made special trips for my consignment, but at this time I have only been allotted twelve bottles. These twelve were very welcome and I hope that it will be possible to obtain more soon.

Last June we held the annual Child Health Conference at the Centre School under the direction of the N. H. Department of Infancy, Maternity and Child Hygiene. We examined fifty-nine pre-school children and checked up their defects.

This year we were very fortunate in the selection of our School Dentist, Dr. Hanrahan. I certainly appreciate all the good work that he has done and I am very proud to say that the number of corrections done this year nearly doubled that of last year.

This has been a very eventful year as well as a very busy one, but summing it all up I wish to say that it has been a very pleasant one—pleasant due to the splendid cooperation that I have had from all members of the School Department, from the Town Officials, and last but not least from each and every one of the residents. Everyone has been very loyal, considerate, and willing to assist me

in all of my undertakings. I extend to each and every person in the Town of Hampton my sincere thanks and appreciation.

Respectfully submitted,

ELIZABETH HILLS HAY, R. N.

Town of Hampton,

## SECRETARY'S REPORT

### Meeting House Green Memorial and Historical Association

In the absence of the president, Mr. Ashworth, the Recording Secretary makes the following report:

The ninth annual meeting of the Association was held on October 14, 1933 at Tuck Hall with the president, George Ashworth presiding. There were about sixty members and guests present, among them being, Prof. James A. Tufts and Miss Tufts of Exeter, Mr. John Carroll Chase of Boston, and Mr. Fred A. Weare of Seabrook. The program consisted of music by an orchestra composed of young townspeople and songs by Mr. Norman Leavitt of North Hampton. The speaker of the afternoon was Dr. James W. Bixler of Exeter who opened his remarks by paying tribute to the Rev. I. S. Jones and Hon. Edward Tuck for providing the Green and House and preserving those things the loss of which would be irreparable.

At the business meeting a committee to further historical interest was chosen, consisting of Mrs. Sarah Lane, Mr. Harland Little, Mr. Norman Leavitt and Mrs. Elizabeth Folsom. A committee consisting of Mrs. Sarah Lane, Mrs. Vina Jones and Rev. Herbert Walker was appointed to present resolutions on the death of valued members, Mrs. Caroline C. Shea, Mr. Lemuel C. Ring and Captain Randall Kernan.

The president reported the grounds as having never looked better than at present and that many compliments have been paid this unique park by out of town visitors.

It is highly desirable that more of our townspeople come to realize what this association represents and by your added interest increase its usefulness. The largest project on the grounds this year has been the grading of a considerable area. The \$20.00 expended for plants and bulbs was well worth while as, with Mrs. Bradbury's care, they gave a profusion of bloom throughout the summer. Last winter the interior of the house was thoroughly renovated. Mr. and Mrs. Bradbury did the puttying, painting of woodwork and painting and waxing of floors, extra help being required for papering.

Among valued gifts this year are a clock and chair and a Dow's History of Hampton, the latter left in his will by Mr. Warren Perkins. The Association would be very glad to receive any antiques or relics and fulfill its purpose of preserving and exhibiting them for the enjoyment of all. Doubtless there are many articles in town for which this is a proper place.

The visitors at the park this year, while not as many as last, numbered 150 who registered, besides many who did not. People from all parts of this country and Canada as well as some guests from Wales came, most of them because they had some particular interest here.

CHARLOTTE J. BATCHELDER,

Recording Secretary.

## REPORT OF TRUSTEES

---

"Our Starving Libraries" is the name of a book just published by the Houghton, Mifflin Company, and is an account of first-hand investigation of public libraries in ten representative cities of the United States. In only one of these cities, Springfield, Mass., has the library been adequately maintained. Boston has dropped to such an unimportant place that it is not even listed. It must be a matter of pride to every citizen of Hampton that our Public Library has been well kept up during these distressing years and is now in better condition than ever before.

During the year that is past many improvements have been made in the physical property. Ornamental shrubs and flowering plants have been set out in the grounds about the Library, and in a few years will furnish a framework of verdant beauty. The entrance to the Library building has been made more dignified by a new door, and the interior of the building has been thoroughly cleaned, the floors shellaced, the walls and ceilings morescoed. New shades

have been hung at all the windows. Oil heating has been introduced. The great advantage of oil heating for a library is that the amount of dust that comes up through the floors and the registers is reduced to a minimum and the books better protected. The Library property is adequately insured.

The Librarian's report will show that nearly four hundred volumes have been purchased during the year. More books have been taken out than ever before. While this is gratifying, it means increased wear and tear for the books and the need of constant replacement. Like everything else, books have advanced in price. Books that formerly cost \$1.50 to \$2.00 now cost from \$2.00 to \$2.50, and higher-priced books in proportion. Still, if the town will keep up the present appropriation of \$1800 a year, the trustees are confident they can maintain the present high standing of the Library.

EDGAR WARREN,

SARAH M. LANE,

O. RAYMOND GARLAND.

The reading room is patronized even more than last year, both in the afternoon and evening. It was opened on Sunday afternoons during the month of December, but as few availed themselves of the opportunity, it was thought best not to continue the plan.

I am grateful to those who contributed flowers for the reading room during the Summer and Fall. I wish it were possible to have them all the year. They add the touch of color and beauty that makes the room more attractive.

The list of periodicals is as follows: American Magazine, American Boy, Atlantic Monthly, Baseball, Better Homes and Gardens, Bird Lore, Child Life, Christian Century, Christian Herald, Current History, Delineator, Exeter News Letter, Flower Grower, Forum, Good Housekeeping, Harper's, Life, Literary Digest, Nation, National Geographic, New England Poultryman, New Outlook, Popular Mechanics, Popular Science, Radioland, Reader's Digest, Rural New Yorker, Review of Reviews, Scientific American, Hampton Union, Union Signal.
